

Navigating Parent Portal: Schoology

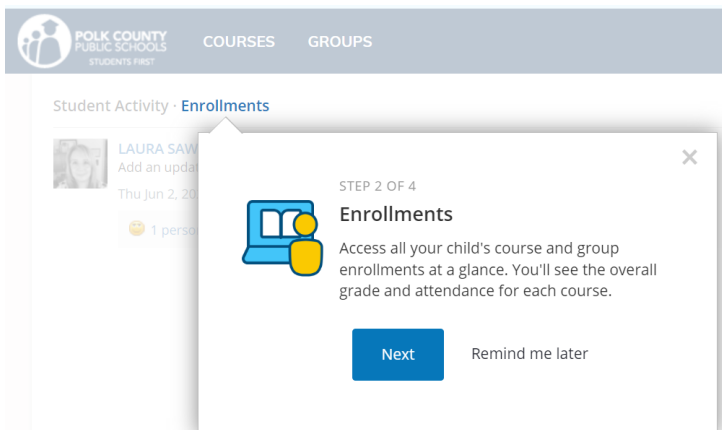

1. Once logged into the Parent Portal, click **Schoology** located on the left menu.

2. Student Activity Area

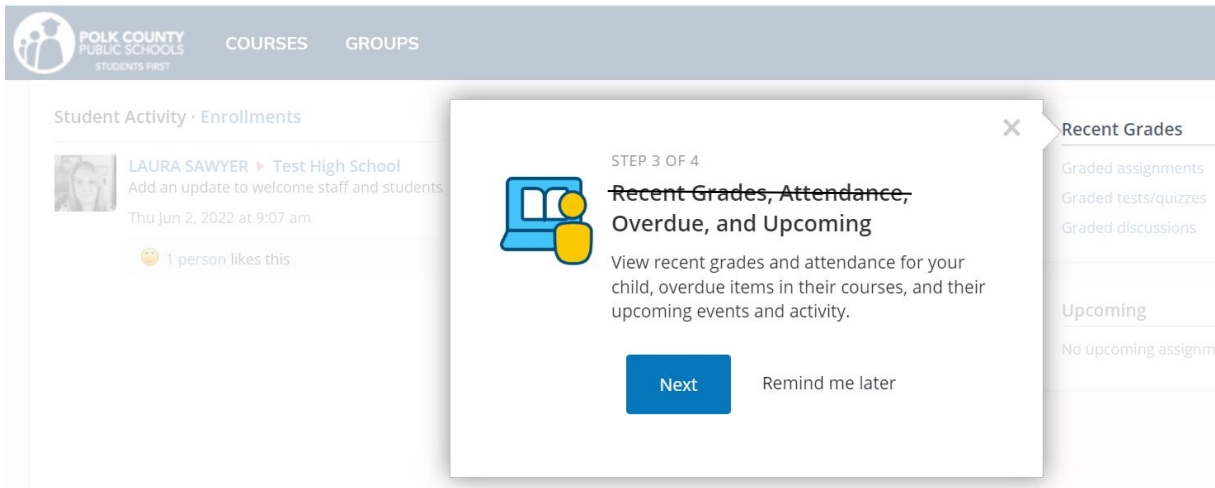

3. Course & Group Enrollments

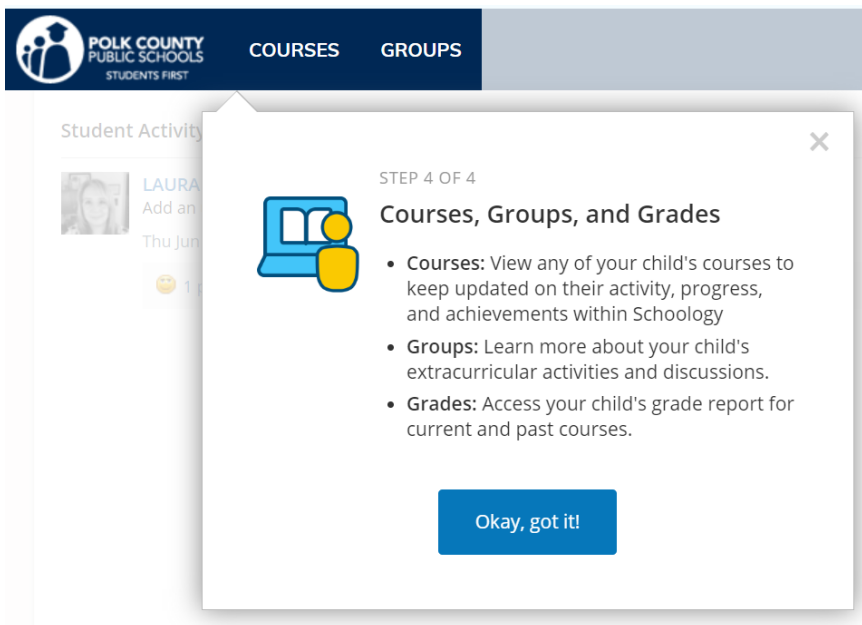

4. Visit this area to check overdue items and upcoming events only.

IMPORTANT NOTE: To review your child's grades, ALWAYS go back to the parent portal ☐ click **Grades** beneath your child's name on the left menu.

5. All courses in which your child is enrolled will be listed under **Courses**. All groups in which your child is a member will be listed under **Groups**.

To open a course, click on the word **Courses** in the top menu, and click on the course link to open the course. There, you will be able to see all of your child's assignments.

6. If you have more than one child enrolled in Polk County Public Schools, you can navigate to another child's information in Schoology:

- Click on the drop-down arrow next to the current child's Schoology site
- Click on another child's name on the drop-down list
